Description			
Operator - Calendar - On add/edit event/session only members under Care Receivers (Elder) should be display, now by default all elders are displaying			

History

#1 - 12/01/2018 11:01 AM - Arvind Solanki

- Assignee changed from Arvind Solanki to Vijay Aluguvelli

we are also assigning events to operator automatically if assigned operator not available to process event, at that time we are assigning event to random operator. in that case we need all care receiver. so currently we are displaying all care receiver while add/edit event with operator/cg login.
